F.Ili Cigliuti 2011 Barbera D'alba Campass

Neive, Piedmont

Italy

Drinking window: 2013 - 2019

Dark red cherries, plums, spices, sweet tobacco and licorice all blossom from the 2011 Barbera d'Alba Campass. The 2011 is rich and layered on the palate, with an extra dimension of volume from the aging in French oak barrels (50% new). The Campass is distinguished for its structure and energy, not to mention its terrific overall balance.
